Car parking

We offer all our patients and visitors **free parking** at Addenbrooke's Hospital. We recommend you park your car at either the F level or Treatment Centre car parks and then enter the hospital via the main entrance of the Addenbrooke's Treatment Centre. If these car parks are full, you should use the visitors multi-storey car park. Please take the ticket at the entry barrier of any car park and we will provide you with a voucher for your FREE exit.

Exiting the car park

When you leave the Cambridge Heart Clinic you will be given a yellow ticket from a member of the Cambridge Heart Clinic staff, this will entitle you to exit the car park free of charge. In order to validate this you must insert the yellow ticket into any of the parking payment machines. You will need to use the yellow ticket to exit at the barrier. You will not need the original white ticket you received at your time of entry.
